uni
Super
Ink™

PROTECTS AGAINST

- WATER
- FADING
- FRAUD

Super Ink™ is an archival-quality pigment ink that offers extraordinary levels of water, chemical, and light resistance. In comparison to standard washable inks, uni-ball's acid-free Super Ink™ stands the test of time by embedding itself into the fibers of paper – making the ink permanent. Our patented Super Ink™ is ideal for anything that needs to stay put.
